## Summer Assignment

### Honors World History

**Directions:** Read through **EACH** page very carefully and follow the rubric. Pretend you are hosting a dinner party over the summer, which will include several historical figures. Choose five (5) historical figures from the list below. Create a seating chart, then explain why you chose that particular arrangement. Be very careful when deciding where to place people at the table. Then create a fictional, yet creative dinner dialogue, similar to a script.
